Dear Harry:

Installment Two of our pledge to provide the American Academy of Pediatrics with \$100,000 is enclosed. It gives me a great pleasure to be the instrument of transmission of this further registration of our belief in, and affection for, the American Academy of Pediatrics, its administration, its fellowship and its goals.

Congratulations to you and all of your colleagues on this particular success, along with all of the others which you collectively accomplish with dignity and style.

Sincerely,
