Dear Tom:

Many thanks for Wyeth International's \$24,000 educational grant to enable pediatric speakers from the Academy to participate in the Pan American Pediatric Congress. This meeting offers an excellent opportunity for North and Latin American pediatricians to exchange information and for the Academy to strengthen its relationship with our colleagues in that part of the world.

On behalf of the Executive Board, I want to express our deep appreciation for Wyeth's support of this important initiative.

Sincerely,

James E. Strain, M.D.  
Executive Director
