Dear Joan:

Thank you for your gentle nudge of February 26. I'm pleased to enclose a check in the amount of \$20,000, which should have been transmitted to you during calendar 1987. This will represent the fourth of five installments on our pledge. The fifth check will be sent a little later on, and that will complete our contribution to the building fund for your new headquarters in Elk Grove Village.

We have been very pleased and proud to be part of the magnificent effort made by the Academy, its members and its friends to offset the cost of the move to, and the erection of, a new and splendid headquarters.

Thank you again for keeping us on track.

Sincerely,

Justin M. McCarthy
